

## **Cynthia Meyn**

Senior Vice President and Senior Operations Manager, New York  
PIMCO

---

Cynthia Meyn is a senior vice president and senior operations manager in the New York office, and leads PIMCO's U.S. operations team. In addition, she represents PIMCO as a member of such industry groups as the DTCC Operations Advisory Committee, the Operations Management Group (OMG), and the SIFMA Asset Management Group's market practices committee.

Prior to joining PIMCO in 2008, Meyn was the managing director of North American operations at Morgan Stanley Investment Management. Previously, she was global co-director of fixed income and derivatives technology at AllianceBernstein, managing director of global fixed income technology at Cantor Fitzgerald, and chief technology officer and chief risk officer at Mizuho Capital Markets.

She has 23 years of investment experience and holds an undergraduate degree from Smith College.
